

PETITION FOR KIMBERLY'S LAW TO THE LEGISLATIVE ASSEMBLY OF NEW BRUNSWICK

TO THE HONOURABLE THE LEGISLATIVE ASSEMBLY OF NEW BRUNSWICK, ASSEMBLED:

Because of the increase in bullying and violence among our young people, we the people of New Brunswick petition the Legislative Assembly of the Province of New Brunswick to consider:

1. Schools should implement threat assessment protocols.
2. If a young person has been assessed as a potential threat, there should be mandatory counseling and treatment for that young person.
3. Parents should be held civilly liable for the actions of their young people, subject to a "due diligence" defense, up to a maximum fine of \$25,000.
