

PETITION FOR KIMBERLY'S LAW TO THE LEGISLATIVE ASSEMBLY OF THE PROVINCE OF  
ONTARIO

To the Honourable the Legislative Assembly of the Province of Ontario in Legislature assembled:  
WHEREAS because of the increase in bullying and violence among our young people we the undersigned  
petition the Legislative Assembly of the Province of Ontario as follows:

1. Schools should implement threat assessment protocols.
2. If a young person has been assessed as a potential threat, there should be mandatory counseling and treatment for that young person.
3. Parents should be held civilly liable for the actions of their young people subject to a "due diligence" defense, up to a maximum fine of \$25,000.

Your petitioners respectfully request that the Honourable House take such action as may be deemed appropriate.
