

**TO THE LEGISLATIVE ASSEMBLY OF PRINCE EDWARD ISLAND**

Because of the increase in bullying and violence among our young people we petition the Legislative Assembly of the Province of Prince Edward Island to urge the Government to consider Kimberly's Law:

1. Schools should implement threat assessment protocols.
2. If a young person has been assessed as a potential threat, there should be mandatory counseling and treatment for that young person.
3. Parents should be held civilly liable for the actions of their young people, subject to a "Due Diligence" defense, up to a maximum fine of \$25,000.

Your petitioners respectfully request that the Legislature take such action as may be deemed appropriate.
